Dear Dale,

I just wanted to say thank you for performing our marriage ceremony a few months ago. You were so easy to work with. We truly appreciate you being so open to all the personalization Joe and I wanted to bring to the ceremony. You made all three of the children feel very included as well and that was the most important thing to us.

Thank you again! And if you ever need a reference please feel free to give anyone my email address and I will tell them that hiring you to perform our wedding ceremony was the second best decision we made...the first was choosing each other!

Sincerely,

Virginia Danyow
